Dear Al:

On behalf of the Mayor's Commission on Group Relations, I am thrilled by the honor deservedly given and wish to congratulate you on your recent appointment to the Bamberger Gallery of Distinguished Citizens.

As you know, we are very proud and fortunate to have you as our Chairman. It is a most comforting thought for one to know that there is a person who can always be depended upon, especially when things are not going well. You are that person. I find it difficult to imagine what the Commission would be like if you were not a member.

May you continue your good works in your quiet way, seeking no praise or publicity. Best wishes to you and remember we all love you.

Cordially,

Ivory
